Subject: Halowax Status

Carolyn,

Just wanted to let you know that you will receive the cross sections we owe you for the Halowax area soon. I had some comments on the drafts and CRA is revising them now. Also, CRA is collecting the groundwater samples now (yesterday and today). They were supposed to be out there last week but had to postpone due to the weather.

which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
